Off-Site Access – Library Website

How do I access library resources from off-campus?
To connect to Western Libraries' online licensed resources from your home or another off-campus location, like the hospital, you must log into the proxy server with your Western Identity username and password.
Go to the Western Libraries homepage (www.lib.uwo.ca). Sign in to the "Off-Campus Access" login located on the right hand side of the page.

What is the EZProxy button?
The EZProxy button is a link you can add to your browser's bookmarks toolbar. Just select the EZ Proxy button and you will be redirected through the proxy server

Instructions for installing the EZProzy button can be found at: http://www.lib.uwo.ca/offcampus/remote.shtml
