Online resources (via shared library catalogue):

*Cambridge World History of Human Disease*
Also available in DBW reference R 131.C233 1993
- Acquired Immune Deficiency Syndrome (AIDS)
- Black Death
- Cholera
- Diabetes
- Gonorrhea
- Influenza
- Malaria
- Poliomyelitis
- Rabies
- Smallpox
- Syphilis
- Tuberculosis
- Typhoid Fever
- Yellow Fever

*Encyclopedia of World Biography*
- Edwin Chadwick
- Alexander Fleming
- Mary Mallon (“Typhoid Mary”)
- Louis Pasteur
- Andreas Vesalius

*Epidemics and Pandemics: Their Impacts on Human History*
Also available in DBW reference RA 649.H293 2005
- AIDS in the United States, 1980s
- Cholera (see Second Cholera Pandemic, 1827-1835)
- Cutter Incident (1955) (see Poliomyelitis in the United States, 1945-1955)
- Influenza Pandemic, 1918-1919
- Malaria
- Penicillin
- Poliomyelitis in the United States, 1945-1955
- Swine Flu 1976
- Tuberculosis
- Typhoid Mary’s “Epidemics”
- Venereal diseases
- Yellow Fever in Philadelphia, 1793
- Yellow Fever in New Orleans, 1853
Oxford Encyclopedia of the History of American Science, Medicine, and Technology
Also available in DBW reference Q 127.U6O95 2014

- Acquired Immunodeficiency Syndrome
- Cholera
- Diabetes
- Influenza
- Malaria
- Penicillin
- Poliomyelitis
- Rabies
- Sexually Transmitted Diseases
- Smallpox
- Tuberculosis
- Typhoid Fever
- Yellow Fever

Reader's Guide to the History of Science
Also available in DBW reference Q 125.R335 2000

- AIDS
- Cancer
- Epidemics (includes Cholera, Influenza, Smallpox, Yellow Fever)
- Fevers
- Malaria
- Plague
- Tuberculosis
- Venereal disease

See also entries on individuals including Alexander Fleming, Louis Pasteur, Andreas Vesalius

Science and Its Times: Understanding the Social Significance of Scientific Discovery

- Cholera
- Iron Lung
- Louis Pasteur
- Penicillin
- Polio
- Tropical disease
- Tuberculosis
Print titles in The D.B. Weldon Library:

DBW reference D 205.O94 2008 (8 volumes)
*Oxford Encyclopedia of the Modern World, 1750 to the Present*
- AIDS and HIV
- Cancer
- Cholera
- Epidemics
- Influenza
- Malaria
- Poliomyelitis
- SARS
- Smallpox
- Tuberculosis
- Yellow Fever

DBW reference Q 180.55.D57S29 2006 (3 volumes)
*Science and Scientists*
- Penicillin
- Polio
- Smallpox vaccine
- Yellow Fever vaccine

DBW reference R 133.M34 1985
*Encyclopedia of Medical History*
- Black Death (see Bubonic plague)
- Cancer
- Cholera
- Diabetes Mellitus
- Influenza 1918
- Malaria
- Penicillin
- Polio (see Poliomyelitis)
- Rabies
- Smallpox
- Tuberculosis
- Typhoid
- Vaccination (see Inoculation)
- Venereal diseases (see Gonorrhea; Syphilis)
- Yellow Fever
DBW reference R 134.D57 2007 (5 volumes)
(Dictionary of Medical Biography)

Contains biographical entries on numerous individuals, including Alexander Fleming, Louis Pasteur, Andreas Vesalius.

(Encyclopedia of Plague and Pestilence: From Ancient Times to the Present)

See Appendix 1: Entries by Disease
- Bubonic Plague
- Cholera
- HIV/AIDS
- Influenza
- Malaria
- Poliomyelitis
- Smallpox
- Syphilis
- Venereal Disease
- Yellow Fever

See also Appendix 2: Geographical List of Entries for disease by country.

DBW reference WA 13.E564 2008 (2 volumes)
(Encyclopedia of Pestilence, Pandemics, and Plagues)

- Black Death
- Cholera
- Influenza
- Malaria
- Penicillin
- Plague
- Poliomyelitis
- Smallpox
- Swine Flu 1976
- Syphilis
- Tuberculosis
- Venereal diseases
- Yellow Fever

DBW reference WC 13.I435 2008 (2 volumes)
(Infectious Diseases: In Context)

- Cholera
- Influenza
- Malaria
- Tuberculosis
- Yellow Fever
Print title in Allyn & Betty Taylor Library:

TAY reference Q 141.N45x 2008 (8 volumes)
New Dictionary of Scientific Biography

Contains biographical entries on numerous individuals, including Alexander Fleming, Louis Pasteur, Andreas Vesalius.
